Welcome back to Term 4. I trust everyone has had a safe and enjoyable term break, returning refreshed for another great term of learning.

Next Monday, 12th October, we welcome our 2016 Kindergarten students and parents to attend an information/orientation meeting and morning tea. A note has been sent home outlining the details.

With the onset of unusually hot weather and bush fire season arriving early, Tallimba Public School is identified as being in a bush fire prone area. Work Health and Safety officers and members of the local NSW Rural Fire Service will be visiting the school, to assess our safety procedures in the event of a bush fire. Should an evacuation of the school be necessary, the Tallimba Hall is the designated community assembly meeting point.

A primary excursion has been booked for Week 5 of this term, at Borambola Sport and Recreational facilities in Wagga. The excursion is for two nights and three days leaving Monday, 2nd November and returning Wednesday, 4th November. Please see attached note for further information.

Tallimba Public School has been invited to this camp to join with other small schools in order to provide our students with learning opportunities that involve the interaction with other students of similar age groupings in a larger social context.
English this term in the Primary class will be taking a look at advertising and the persuasive techniques used to engage the reader. We will also be learning about the structure, reading and composing procedural texts. Mathematics topic for the fortnight is measurement, length and perimeter. The science topic is ‘Heating Up’. This unit looks at ways we use heat and how heat is conducted through different materials. In History/Geography we will be looking at mapping and locating national and international landmarks.

How2Learn
Our How2Learn focus this term is RESOURCEFULNESS. The super hero that portrays this cognitive learning skill is Innovatrix. Strong learners ask questions about their world. They are not afraid of asking questions when they are not sure. Not knowing is okay. Good learners like to get the full picture to help them understand deeply before they draw their conclusions. They find themselves asking questions constantly.

Reading for Meaning – QUIZ
Aussie tennis player Bernard Tomic has lifted his world tennis ranking from 124th in July to 35th this month, following his recent successful tournaments. By how many rankings has he improved?

Missing PM Readers
It appears that we are again low in a number of PM readers. This means that readers are not available for other children. Please have a look at home for the following titles:

* Lizard loses his tail
* Jack’s Birthday
* The House on the hill
* Baby Wakes up
* Here we come
* Little Chimp runs away
* The way we go to school
* Big Chimp, Little Chimp
