Principal's Message

The first week of this term was an unusually hot one. I need to reinforce the wearing of a broadbrim hat. Many students are failing to follow this school policy. Please ensure your child has a hat in their bag labelled CLEARLY with their christian name or initial and surname. This will help alleviate any confusion amongst siblings.

Today we welcomed our new Kindergarten students for 2016, Viarna and Lily. The girls will be taking part in a five week orientation program, attending Tallimba Public School every second Monday for a full day.

Primary Excursion

A primary excursion has been booked for Week 5 of this term, at Borambola Sport and Recreational facilities in Wagga. The excursion is for two nights and three days leaving Monday, 2nd November and returning Wednesday, 4th November. Please see attached note for further information. Tallimba Public School has been invited to this camp to join with other small schools in order to provide our students with learning opportunities that involve the interaction with other students of similar age groupings in a larger social context.

Operation Christmas Child

Students at Tallimba Public School have elected to donate to the Samaritan's Purse Operation Christmas Child. These boxes are due back Wednesday, 21st October. For further information visit www.operationchristmaschild.org.au
**Infants News**

Our sound this week in the Kinder class is ‘ch’. In Year 1 and 2, the focus sound in spelling list words is ‘y’ and ‘u’, pronounced ‘yoo’, as in ‘computer’. In Literacy, the children have enjoyed listening to the Dr Seuss books, ‘The Cat in the Hat’ and ‘Green Eggs and Ham’. We have been focussing on the language features of poetry, including rhythm, rhyme, repetition, alliteration and onomatopoeia.

Our Math focus for the week is measurement, in particular volume and capacity and mass. The children will be involved in a number of ‘hands on’ activities that encourage mathematical thinking, to determine the correct answers to questions.

In Creative and Practical Arts, we have viewed cubist artworks of Picasso and Braque, considering their use of line and shape in drawings. The children have been engaged in appreciating how artists represent the places where they live and work in the creation of their artworks.

In HSIE this week, we are looking at “Who are the families of the world?” The children will examine photos of families in different countries, deepening their understanding of the diversity of families throughout the world. The children will also explore the geography of countries of the world in which these families live.

**Reading for Meaning – QUIZ**

**Congratulations** Adrian (and Ricky) who correctly answered the quiz. **The answer was 89 places**

**This week’s quiz**

According to a recent report most meat-eating people will consume 11 cows, 27 pigs, 2 400 chickens, 4 500 fish, 80 turkeys and 30 sheep over their lifetime. How many legs is that altogether?

---

**Primary Class (Year3/4 + Year5/6) News**

We commenced our English unit on advertising last week. Students were very responsive to the text and quickly realised there is a lot more information to be read on an advertisement than they originally thought. Talking about advertising at home with your child will assist them with developing a deeper understanding on the persuasive devices authors use in advertising.

Questions such as, why are certain images used? What feelings are the authors trying to provoke? Discussing symbols, logos, colour and light used, are ways to engage your child with the text.

We continue with our mathematics topic on measurement, length and perimeter. The science topic is ‘Heating Up’. This unit looks at ways we use heat and how heat is conducted through different materials. In history and geography we will be looking at mapping and locating national and international landmarks.

**How2Learn**

Our How2Learn focus this term is **RESOURCEFULNESS**. The super hero that portrays this cognitive learning skill is Innovatrix. Strong learners ask questions about their world. They are not afraid of asking questions when they are not sure. Not knowing is okay. Good learners like to get the full picture to help them understand deeply before they draw their conclusions. They find themselves asking questions constantly.

**Sun Safe Policy**

In line with our sun safe policy, **ALL** students are required to wear a hat while playing outside during Term 4.

**P&C Meeting**

**Thursday, 15th October 6.30pm. All welcome!**

**Missing PM Readers**

It appears that we are again low in a number of PM readers. This means that readers are not available for other children. Please have a look at home for the following titles:

*Lizard loses his tail
*Jack’s Birthday
*The House on the hill
*Baby Wakes up
*Here we come

SPORT AND RECREATION
VOLUNTEER AWARD – YOUTH & OPEN CATEGORIES

Sport and Recreation are again holding the Central West Winter Sport Volunteer Award. It’s the end of the winter sporting season, but its not too late to recognise the efforts of the outstanding volunteers who keep sport going in our communities. The Award has separate categories for both open and youth (25 years and under) to recognise the importance of all aged volunteers in grassroot sports.

In 150 words or less tell us how your volunteer is worthy of being nominated. All nominees will receive a certificate, with the winner and runner up being awarded $250 & $100 (respectively) to spend on approved sports development programs. It’s a great way to say thank you to a coach, committee member, official or manager. It’s a simple process that wont take long, but will make the nominee feel valued as a volunteer.

Nominations can be made online via the Sport and Recreation website sportandrecreation.nsw.gov.au/volunteeraward or call 6362 6623.
Nominations close Friday 6th November 2015.

Holland Park Swim Centre is proudly managed by the Leisure and Recreation Group on behalf of the Bland Shire Council, providing high quality service, products and experience.

This charming outdoor facility has something for the whole family to do this summer, so why not come down and enjoy a great day at the pool? Whether you’re lap swimming for fitness, or just after a leisurely swim, our 50m pool and hydro play area cater for all user groups.

Why not utilize our spacious grass picnic areas and electric BBQ’s?

The Wriggly Bean Café offers a range of food and beverages; espresso coffee, cakes and slices, pizza, hot chips, wraps, slushies, milkshakes, thick shakes and ice-creams are just a few of the items on the Wriggly Bean Café menu.

Looking for an exercise class with a difference that will challenge you? Come and try Seal Training; Saturday 10am.

Need swimming gear? Come in and see our range of Eyeline products and something new this season, Wahu pool toys.
