This week the children will be participating in a couple of very interesting programs.

**Weethalle Zoo Visit**

The children of Tallimba Public School will travel to Weethalle Public School this Thursday to participate in a Zoomobile visit. Taronga’s Zoomobile outreach program brings the Zoo to the bush. This program is being supported by the Lake Cowal Conservation Centre. Every year the LCCC invites the Sydney Taronga Zoomobile to visit the West Wyalong area. The students will learn interesting facts about the animals and will be able to get up close and pat the zoo animals such as the Murray Darling Carpet Python, Ring-tailed Possum, Bogeye, Green Tree Frog and Echidna.

Parents and Pre-school children are invited to attend the Zoomobile visit at Weethalle. Cost per child is $5 to be paid to the school. No cost to adults. There are limited seats available on the bus so please let Row know if you wish to travel on the bus. Children must be in the care of their parents during the visit.

**Life Education**

Have you met Healthy Harold? He is Life Education's lovable mascot who helps our Educators in the mobile classrooms. He has lots of fun and interesting tips and ideas and just loves sharing a joke or two with his friends! The Life Education Van will be visiting our school on Friday. Life Education is a not for profit community based organisation that delivers specialised programs to address many of the components and objectives within the NSW PD/Health/PE curriculum.
**Book Club**
Coming home with the children today are the Book Club order forms. Some people used the new online ordering system for the last order and it worked very well. Far less work involved and a quicker response time. I encourage everyone to use the new Linked Online Ordering and Payment system (LOOP). All orders should be returned to school or completed online by Friday 13th March.

**Moving into Year 7**
Expression of interest for placement in a NSW government school forms were sent home with all year 6 students. It is important that these forms are filled in and returned to school as soon as possible. There are very few left over forms but if you require another please do not hesitate to contact Tyra in the office.

**Thank you**
We wish to extend a thank you to Carmen Quade who donated plastic envelopes for the infants readers, it was greatly appreciated.

**Infants News**
The children have been studying Weather in Science and using the associated vocabulary of overcast, windy, sunny etc. when observing the weather. Our focus this week in Maths is time (o'clock and half past). The Kindergarten children are learning about the sound ‘n’.

**Primary Class (Year3/4 + Year5/6) News**
Literacy focus this week continues to be on strong sentences, great stories. In mathematics we will be comparing lengths centimetres – metres – kilometres.

**How2Learn**
This fortnights focus:
- Noticing – strong learners take notice of what is around them

**No Hat No Play**
A reminder that Tallimba Public School supports a “no hat no play” in the sun policy. Children are requested to wear a broad brimmed hat in the playground. Children who do not have a hat will be supervised in the COLA. Hats may be purchased from the P&C uniform supplies or via the front office at a cost of $8.50.

**School Lunches**
During this hot weather all students are encouraged to keep their school lunch in the refrigerator in the staffroom. This keeps food cool and safe from birds. All children are supervised during fruit break and first lunch, however we encourage all children to be responsible for their lunch boxes and eating their own lunch. Please ensure all items are clearly labelled.

**Please be aware**
Tyra’s days are Monday, Friday and every second Wednesday. Emails are usually checked in the morning. Urgent messages need to be by phone to ensure the message has been received in time.

**Reminder**
Written notes are required by law for an absence or to leave school grounds (visit to doctors, dentist, family reasons). Please ensure the school is notified in a timely manner regarding any absence, emails are accepted. Notes are required within 7 days of the absence.

**Harmony Day**
On Thursday 19th March the children will be participating in Harmony Day activities organised at school.

**Library**
Reminder - there are a number of outstanding loans. Could students please be reminded to return all library books on Wednesday.
